# MISSION RMS

MAKE THE MAINTENANCE OF A  
TWO-WHEELED VEHICLE  
EASY, ACCESSIBLE AND WITHIN  
THE REACH OF THE GREATEST NUMBER OF PEOPLE.

## HOW?

**CHOOSING RMS MOTO BRAND SPARE PARTS. WE PROVIDE:**

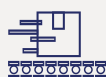

*THE WIDEST RANGE POSSIBLE*

*EXCELLENT VALUE FOR MONEY*

*TYPICAL QUALITY STANDARDS OF OEM ITEMS*

*AVAILABLE IN 24/48 HOURS*

# SEATS RANGE

We can finally provide you with a high-demand trending product!

On our **B2B**, within the chassis category, you can find a wide range of **RMS Classic brand seats** dedicated to the Vespa, moped and Ape world.

Among them you will find seats with and without hump, with lock or lever, with plastic or spring bottom.

All our products are **made in Italy** and are in compliance with the original equipment replacement.

## WHERE TO FIND SEAT RANGE

- 1 **Within the B2B:**  
motorcycle -> chassis -> seats

## A COMPLETE RANGE OF ACCESSORIES

In addition to the complete seats, there is a series of individual accessories such as: **grommets, locks, handles and covers.**

You can now replace the single damaged part without any problem!

## SINTER

### HIGH PERFORMANCE BRAKES

We work every day to make the Sinter range wider and more complete.

Among the new references you can find the **brake pads for Honda VFR 800, Benelli TRK 502 and Yamaha YZ450F.**

We can offer a product that guarantees excellent results in terms of performance and safety, both for road and off-road.

We remind you that all RMS brake pads are **made in Italy** with high quality and harmless materials.

In fact, the **KBA / ABE and R90 certifications** ensure that our product is homologated and therefore complies with all the standards set by the institutions themselves.

In order to find the brake pads that suit your needs, please refer to the appropriate section **within the category "breaking system" on our B2B.**

### DO YOU KNOW THAT...

Please subscribe to our RMS Moto YouTube channel and keep updated with a video **about certifications**, the differences between sintered and organic pads and so much more!

# WATER PUMP KIT

# Suzuki Burgman 400

Thanks to the continuous research and development carried out by our team and your feedback we have been able to improve our water pump repair kit for Suzuki Burgman 400 (RMS code 100110410).

In fact, in addition to the existing kit a mechanical seal has been added in order to make the product complete, so that the kit, once purchased, can be installed directly on the vehicle quickly and easily.
